

Hi Everyone

A very big thank you to all our donors and supporters for your support during this year! Without you we would not be able to continue our work. Please contact us if you have not received a personal thank you.

We wish you all a blessed Christmas and a prosperous new year.

We are in desperate need of funds and food for our animals, especially soft/tin food.

Please give the gift of life this Christmas to an animal in need by making a kind donation and please send this to all your family and friends.

DOG WITH INGROWNDEW CLAW

We came across this poor dog from Olivan Township in Midrand with a very serious ingrown dew claw. Although it may seem like something small, **it was already infected and caused severe pain and discomfort to the dog.**

We took him to our vet who cut the nail out and treated the wound and in no time this little dog was running on all four legs again!

NEGLECTED CATS:

We found these three cats abandoned in a house in Rosettenville. **The owners simply moved away and left them behind!** The cat in the first picture only has half a tail, but of course we will never know what happened to the rest of her tail!

Cats who are used to living in a homely environment, often **do not adjust well to shelter life. Some of them even stop eating completely.**

Please help them by offering them a good home!

OTHER WAYS TO SUPPORT US:

Please donate all your jumble, books, house hold items and appliances, office items and garden tools and equipment to us that you do not need anymore.
